### PROCUREMENT POLICIES AND PROCEDURES

#### I. INTRODUCTION

- A. <u>General Applicability</u>. These Procurement Policies and Procedures ("Policies") are established for the Oklahoma City Redevelopment Authority ("OCRA") to prescribe appropriate procedures and to assure compliance with applicable law and regulations related to purchases of goods (i.e., materials, supplies, equipment), contracts for services, and contracts for professional services. The intent of the Policies is to assure that all purchases are handled fairly and in a manner that encourages competition. Notwithstanding any authorizations contained in these Policies, some procurement actions are subject to applicable provisions of State law, requirements imposed by funding sources, and conditions contained in relevant agreements of OCRA. It is advisable to consult all relevant agreements or other documents that may place additional restrictive obligations on OCRA's procurement practices.
- B. Exclusions. These Policies shall not apply to the following activities carried out by OCRA:
  - Payment and procedures for the acquisition of real property;<sup>1</sup>
  - Payment of relocation expenses, which are governed by other provisions of federal and state law;
  - Payment of assistance in development financing pursuant to the Article 10, Section 6C of the Oklahoma Constitution and the Oklahoma Local Development Act, 62 O.S. §850, et seq., including but not limited to that provided for the development of public facilities;
  - Disposition of real property and interests therein (i.e., easements, rights of way, etc.); and
  - Responsibilities and obligations pursuant to an approved redevelopment agreement.

#### II. RULES APPLICABLE TO PURCHASES OF GOODS AND SERVICES

In the expenditure of its own funds, OCRA is free to follow procurement customs and methods that fall within the spirit of fair and open competition. Please note that OCRA must comply with the Oklahoma Public Competitive Bidding Act of 1974 for procurement and purchases of goods and services that qualify as "public construction contracts" (see Section III below). Also, in the expenditure of any funds received by agreement or grant, or generated pursuant to a project plan adopted pursuant to the Oklahoma Local Development Act, 62 O.S. § 850, et seq., OCRA shall comply with the provisions of the applicable grant agreement, contract award, or project plan relative to the specific funding source.

<sup>&</sup>lt;sup>1</sup> Note: these Policies *will* still apply to the goods and services used to help OCRA actually acquire real property, provide for relocation expenses, and dispose of property. This provision is meant to exclude the property being purchased, the actual relocation expenses provided to displaced persons, and disposition itself. All of these activities, unlike the services used to assist in completing them, are not procured and are governed by other provisions of federal, state, and local law.

#### III. RULES APPLICABLE TO PUBLIC CONSTRUCTION CONTRACTS

OCRA shall comply with the Oklahoma Public Competitive Bidding Act of 1974, 61 O.S. § 101, et seq., in the awarding of public construction contracts. These Policies conform to such state law.

#### A. Requirements.

- 1. Public Construction Contracts Exceeding \$50,000.00. For all public construction contracts exceeding \$50,000.00,<sup>2</sup> OCRA shall let and award a contract to the lowest responsible bidder, by open competitive bidding after solicitation for sealed bids. OCRA shall provide notice by publication in a newspaper of general circulation in Oklahoma County for two consecutive weekly issues of the newspaper, with the first publication at least 20 days prior to the date set for opening the bids. The notice shall be sent to one in-state trade or construction publication. All bids shall be sealed and opened only at the time and place specified in the bidding documents, and read aloud in the presence of an officer of OCRA. Such bid opening shall be open to the public and to all bidders.
- 2. Public Construction Contracts of \$5,000.00–\$50,000.00. For public construction contracts between \$5,000.00 and \$50,000.00,³ OCRA shall let and award a contract to the lowest responsible bidder by receipt of written bids or awarded on the basis of competitive quotes to the lowest responsible qualified contractor. In the event the public bidding process is used, all bids shall be sealed and opened only at the time and place specified in the bidding documents, and read aloud in the presence of an officer of OCRA. Such bid opening shall be open to the public and to all bidders.
- 3. Public Construction Contracts less than \$5,000.00. For public construction contracts less than \$5,000.00,<sup>4</sup> OCRA shall send a request for quotes to potential qualified contractors with a detailed description of the goods or services needed. Quotes must include pricing information that allows OCRA to compare costs across bidders and ensure cost reasonableness. For purposes of documentation, quotes shall be recorded on a quote sheet provided by the Chief Financial Officer. Staff shall obtain a minimum of three quotes and record on the quote sheet. If obtaining three quotes is not feasible, the reasons for the infeasibility should be noted on the quote sheet. The qualified contractor providing the lowest responsive and responsible quote shall be selected by OCRA. In the event a higher bidder is more responsive and responsible than the lowest bidder, or if for any reason the preferred quote is not the lowest quote, the rationale for selecting another bidder must be documented and justified in the quote file.
- 4. Determining the Responsibility of Bidders. In order to determine the responsibility of bidders, OCRA may require prospective bidders, general contractors and subcontractors to prequalify as responsible bidders prior to submitting bids on a public construction contract. Prequalification to bid or perform work does not substitute for any license required by federal, state, or local law. Notice of any such prequalification requirement shall be made by OCRA to all prospective bidders and the public in the notice to be

<sup>&</sup>lt;sup>2</sup> This amount may be adjusted by amendment to the statute; see 61 O.S. § 103.A.

 $<sup>^{\</sup>rm 3}$  This amount may be adjusted by amendment to the statute; see 61 O.S. § 103.B.

<sup>&</sup>lt;sup>4</sup> This amount may be adjusted by amendment to the statute; see 61 O.S. § 103.C.

published. Financial information including, but not limited to, audited financial statements required by OCRA as part of prequalification shall remain confidential.

- B. <u>Notices</u>. All bid notices shall set forth the following information:
  - The character of the proposed public construction contract in sufficient details that all bidders shall know exactly what their obligation will be, either in the bid notice itself or by reference to bidding documents on file in the main office of the awarding public agency;
  - 2. The name and address of the officer, agent or employee of OCRA, from whom a complete set of bidding documents regarding such proposed contract may be obtained, together with the amount of the cost deposit required therefor, if any;
  - 3. The date, time and place of opening of the sealed bids;
  - 4. The name and office location and address of OCRA where the sealed bids should be submitted; and
  - 5. Any additional information regarding such proposed contract deemed by OCRA to be of beneficial interest to prospective bidders or the public.
- C. Records. OCRA shall maintain at its offices at least one complete set of bidding documents regarding a proposed public construction contract for at least 20 days prior to the date set for opening bids. A complete set of bidding documents shall be provided to any prospective bidder upon request. OCRA may require a deposit that does not exceed the actual cost of duplicating or copying the bidding documents. OCRA may retain such deposit if so stated in the notice for bids. All bids, both successful and unsuccessful, and all contracts and required bonds shall be placed on file and maintained at the offices of OCRA for a period of 5 years from the date of opening of bids or for a period of 3 years from the date of completion of the contract, whichever is longer. Such documents shall be open to public inspection and shall be matters of public record.
- D. <u>Contract Award</u>. The awarding of a contract to the lowest responsible bidder or bidders shall be made within 30 days after the opening of bids unless OCRA, by formal recorded action and for good cause shown, provides for a reasonable extension of that period. The extension period shall not in any event exceed 15 days where only state or local funds are involved unless, upon mutual written agreement between the lowest responsible bidder or bidders and OCRA, in which case OCRA may extend the contract award period no more than 120 days from the bid opening date.

If an award is made to other than the lowest bidder, OCRA shall accompany its action with a publicized statement setting forth the reason for its action. Such statement shall be placed on file, open to public inspection, and be a matter of public record.

#### E. Exceptions.

1. Where an emergency exists due to a sudden, unexpected happening or unforeseen occurrence or condition whereby the public health or safety is endangered, the provisions of the Oklahoma Public Competitive Bidding Act of 1974, 61 O.S. § 101, et seq., shall not apply, provided that the conditions of 61 O.S. § 130 have been met.

- 2. Where public improvements are constructed as a part of an agreement to provide assistance in development financing pursuant to the Oklahoma Local Development Act 62 O.S. § 850, et seq., and the cost of such public improvements does not exceed 25% of the total amount of the estimated public and private investment being made within the increment district, the provisions of the Oklahoma Public Competitive Bidding Act of 1974, 61 O.S. § 101, et seq., do not apply. In those instances, the provisions of this Section III do not need to be followed.
- 3. OCRA may, unless acting pursuant to a contract with the State that specifies otherwise, make use of statewide contracts that the State Purchasing Director enters into or awards consistent with the Oklahoma Central Purchasing Act, 74 O.S. § 85.1, et seq., without having to comply with the provisions of the Oklahoma Public Competitive Bidding Act of 1974, 61 O.S. § 101, et seq. Contracts for goods and services awarded consistent with the Oklahoma Central Purchasing Act may also be used by OCRA with no additional procurement required.
- 4. As a public trust having the City as its beneficiary, OCRA may, unless acting pursuant to a contract with the City that specifies otherwise, make use of City contracts for goods or services that the City certifies have been entered into in compliance with the ordinances prescribing City purchasing policies.

#### IV. PROCUREMENT AND CONTRACT AUTHORITY AND ADMINISTRATION

These authorizations and administrative procedures shall apply to all procurement transactions and activities. In the case of a conflict with specific provisions in Section III of these Policies, the provisions in Section III control.

#### A. Authorizations.

- 1. All procurement transactions shall be administered by either the Executive Director or by other individuals the Executive Director has authorized in writing.
- 2. The Executive Director shall have the authority to declare an emergency pursuant to Sections III.E.1., to the maximum extent permitted by law. If the Executive Director so declares that an emergency exists, the Executive Director must cause the Board of Trustees to be notified within ten (10) days of the emergency declaration of the actions taken and the rationale for such actions, in a form suitable for recording in the official minutes of the Board of Trustees.
- 3. All procurements and contracts \$50,000.00 or more shall be submitted to the Board of Trustees for approval, except that the Executive Director or the Executive Director's designee shall have approval authority for:
  - a. Contracts procured as a result of a declaration of emergency authorized by Section IV.A.2. above; and
  - b. Change orders up to the lesser of \$40,000.00 or 10% of the approved contract amount.

- 4. The Executive Director or its designee shall ensure that:
  - a. Contracts and modifications are in writing, clearly specifying the desired supplies, services or construction, and are supported by sufficient documentation regarding the history of the procurement, including as a minimum the method of procurement chosen, the selection of the contract type, the rationale for selecting or rejecting offers, and the basis for the contract price;
  - b. For public construction contract procurement:
    - Public notice is given of each procurement prior to the bid opening in order to provide for the preparation and submission of bids or proposals, and that notices of contract awards are made available to the public;
    - ii. Contract awards are made to responsive and responsible bidders offering the lowest prices (for sealed bid contracts) or to the offeror whose proposal offers the greatest value to OCRA, considering price, technical, and other factors as specified in the solicitation (for contracts awarded based on competitive proposals), and that unsuccessful firms are notified within ten days; and
  - c. Sufficient unencumbered funds are available to cover the anticipated cost of each procurement before contract award or modification (including change orders), work is inspected before payment, and payment is made promptly for contract work performed and accepted.
- 5. These Policies and any later changes shall be submitted to the Board of Trustees for approval. The Board of Trustees appoints and delegates procurement authority to the Executive Director, but retains responsibility for ensuring that any procurement policies adopted are appropriate for OCRA.
- B. <u>Cancellation of Solicitations</u>. Any invitation for bids, request for proposals, or other solicitation may be cancelled before offers are due or after bids or proposals have been received for good cause or when it is in the best interest of OCRA. In the event a solicitation is cancelled, the reasons for cancellation shall be documented in the procurement file, and notices of cancellation shall be sent to all offerors solicited.
- Contracts. Any type of contract which is appropriate to the procurement and which will promote the best interest of OCRA may be used, provided that the cost-plus-a-percentage-of-cost and percentage of construction cost methods are prohibited for public construction contracts. All procurements shall include the clauses and provisions necessary to define the rights and responsibilities of the parties.
- D. <u>Ethics</u>. OCRA shall adhere to the code of conduct outlined in Title 60, Section 178.8, of the Oklahoma Statutes in all procurement actions.

Ref: Joint Resolution of the Board of Commissioners of the Oklahoma City

Urban Renewal Authority and the Trustees of the Oklahoma City Redevelopment Authority relating to Common Area Maintenance of Land

Owned by OCURA and Leased to Bass Pro Outdoor World, L.L.C.

**Background:** OCURA has undertaken a program for the development of a blighted area in the City of Oklahoma City, and is engaged in implementation of the MAPS Sports-Entertainment-Parking Support Redevelopment Plan. OCURA has been designated by the City to administer the urban renewal project and is responsible for common area maintenance, as provided by the lease between OCURA and Bass Pro. It is appropriate and desirable for OCURA and OCRA to engage in mutually supportive activities to carry out the objectives of the Plan.

As a public trust having the City as its beneficiary, OCRA is entitled to utilize current citywide per-unit price contracts procured by the City pursuant to its procurement policies and state law, while OCURA is not (unless specifically included in the City's bid documents). The pressing nature of some maintenance concerns in common areas to be maintained by OCURA makes it appropriate and desirable to authorize OCRA to perform certain services to assist OCURA in meeting its Common Area maintenance obligations and to authorize OCURA to transfer or advance funds to OCRA for such purposes.

**Recommendation:** Approval of Resolution

#### JOINT RESOLUTION

JOINT RESOLUTION OF THE BOARD OF COMMISSIONERS OF THE OKLAHOMA CITY URBAN RENEWAL AUTHORITY AND THE TRUSTEES OF THE OKLAHOMA CITY REDEVELOPMENT AUTHORITY RELATING TO COMMON AREA MAINTENANCE OF LAND OWNED BY OCURA AND LEASED TO BASS PRO OUTDOOR WORLD, L.L.C.

**WHEREAS,** in furtherance of the objectives of the Urban Redevelopment Law of the State of Oklahoma, 11 O.S. 38-101, *et seq.*, the Oklahoma City Urban Renewal Authority ("OCURA") has undertaken a program for the development of a blighted area in the City of Oklahoma City ("City"), and in this connection is engaged in implementation of the MAPS Sports-Entertainment-Parking Support Redevelopment Plan ("Plan"); and

**WHEREAS,** OCURA has been duly designated by the City to carry out and administer the urban renewal project pursuant to the Plan; and

**WHEREAS,** the Oklahoma City Redevelopment Authority ("OCRA") is a public trust created pursuant to the Oklahoma Public Trust Law, 60 O.S. § 176, *et seq.* ("Act") by a Trust Indenture dated May 7, 1985 ("Trust Indenture"), and is engaged in the promotion, stimulation, development, and redevelopment of its beneficiary, the City; and

**WHEREAS,** it is appropriate and desirable for OCURA and OCRA to engage in mutually supportive activities to carry out the objectives of the Plan; and

**WHEREAS,** the City has authorized OCURA to undertake the development and leasing of a facility pursuant to a Shopping Center Lease between OCURA, as Landlord, and Bass Pro Outdoor World, L.L.C., a Missouri limited liability company, as Tenant ("Bass Pro"), as amended ("Lease"); and

WHEREAS, OCURA and Bass Pro have executed the Lease, and whereby OCURA has leased to Bass Pro the Leased Premises (as defined in the Lease) with buildings and other improvements planned or constructed thereon ("Bass Pro Building"); and

**WHEREAS,** pursuant to the Lease, OCURA has assumed duties with respect to the Bass Pro Building and the area surrounding and supporting the Bass Pro Building (as defined the Lease and referenced in this resolution, "Common Area"); and

**WHEREAS,** OCURA is responsible for Common Area maintenance obligations, as provided in the Lease and the Declaration of Protective Covenants, entered into between OCURA, the City, and Bricktown Entertainment, L.L.C., as amended ("Declaration"); and

WHEREAS, the Common Area is in need of certain repairs, including but not limited to

re-pavement of a portion of the designated parking area, in order to maintain the Common Area to the standards specified in the Lease and Declaration; and

**WHEREAS,** as a public trust having the City as its beneficiary, OCRA is entitled to utilize current citywide per-unit price contracts procured by the City pursuant to its procurement policies and state law, while OCURA is not (unless specifically included in the City's bid documents); and

**WHEREAS,** the pressing nature of some maintenance concerns for the Common Area renders it appropriate and desirable to authorize OCRA to perform certain services to assist OCURA in meeting its Common Area maintenance obligations and to authorize OCURA to transfer or advance funds to OCRA for such purposes.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Commissioners of the Oklahoma City Urban Renewal Authority and the Board of Trustees of the Oklahoma City Redevelopment Authority as follows:

- 1. OCRA is hereby authorized to exercise such powers as it has been granted under the Trust Indenture, the Act, and the City's bid documents and per-unit contracts to make repairs or carry out maintenance activities and related services, and to enter into necessary and appropriate construction and services contracts, in support of OCURA's performance of its Common Area maintenance obligations under the Lease and Declaration.
- 2. OCURA is authorized to provide funding necessary or appropriate to fulfill its Common Area maintenance obligations under the Lease and Declaration, including financing in support of OCRA's performance of services related to those obligations.
- 3. In the interest of efficiency in carrying out the Common Area maintenance obligations under the Lease and Declaration, OCURA and OCRA each authorize the other to incur expenses, advance costs, and enter into financial obligations on behalf of the other, based on the source, authorizations, restrictions, and availability of funding, provided that OCURA specifically reimburses or repays OCRA for any such incurred expenses when and if funding is available, and provided that appropriate documentation is kept, using reasonable accounting procedures, to identify whether one party's expense is on behalf of the other and when or if it is to be reimbursed.
- 4. The Officers, Executive Director, and Legal Counsel of OCURA are authorized to execute such documents and take such other actions as may be necessary or appropriate to implement the authorizations contained in this Joint Resolution.
- 5. The Officers, Executive Director, and Legal Counsel of OCRA are also authorized to execute such documents and take such other actions as may be necessary or appropriate to implement the authorizations contained in this Joint Resolution.

Ref: Resolution Conditionally Designating a Redeveloper for Property Located at

900 N. Klein

**Background:** The Oklahoma City Redevelopment Authority was organized for the purpose of assisting in the implementation of economic development and redevelopment projects and aiding and providing financial assistance to the Oklahoma City Urban Renewal Authority in connection with its proposed and approved redevelopment activities for the benefit of The City of Oklahoma City. A critical component of the City's economic development and redevelopment efforts is coordination among public entities providing essential public services to the people of Oklahoma City, including especially public education provided by Oklahoma City Public Schools. OCRA and OKCPS entered into an Agreement for Joint Redevelopment and Disposition of 900 North Klein and Related Property detailing the procedure for the disposition and redevelopment of the former OKCPS administrative headquarters as well as surrounding property formerly housing Bryan Research Center. OCRA publicly invited proposals for redevelopment of 900 N. Klein. The advisory committee, made up of representatives of OCRA, OKCPS, the City of OKC and the Metro Park neighborhood reviewed the redevelopment proposals submitted in response to the public invitation, including one submitted by Carpathia, LLC. The selection committee recommended that Carpathia, LLC be selected as conditional redeveloper of 900 N. This recommendation will be submitted to the board of OKCPS for its consideration.
